Be On The Lookout

Life's A Boer

From the creative direction of Backyard Green Films, the ABGA presents our podcast, "Life's A Boer." It will be released on the third Monday of each month.

Rick and Elara Bowman truly have a beautiful and ethereal way of telling people's stories, and we encourage you to follow them on social media and listen to their other podcasts, as well as ours!

If you have thoughts, comments, or ideas for the podcast, send your feedback to **Editor@abga.org**.

Reminders From The Office

DNA

When you submit your DNA through ABGA the results will automatically come to our office.

Multiple Sire Flushes

When getting DNA for a multiple sire flush we must wait for all the kids' DNA to come back to get the results.

UC Davis

According to Dr. Rebecca Bellone, Ph.D. UC Davis is attempting to put more staff in place, but they are currently running a minimum of 15 business days behind.

Registration

If you start a registration online, you **must** finish it online. If you encounter problems or technical difficulties, please contact the office.

Open/incomplete online registrations will cause delays in processing all other registrations.

The original owner is responsible for the transfer of goats to the new owner, who is not allowed to transfer goats to their own name.

Email

When emailing the office make sure you are using **.ORG** at the end of the email address.

Example: Mail@abga.org
